

# Dare Questions for Tweens

Go to the hosts and say "thank you for a lovely time".

Name the seven dwarfs.

Pretend to be the person on your right for 10 minutes.

Eat a mouthful of crackers and then try and whistle.

Pretend that you are underwater for the rest of the round.

Do your best ballet dance.

Build a tower out of anything you can find until it is taller than you are.

After everything you say add "Whoa ... I'm good!" for the rest of the round.

Do 10 summersaults in a row

Have a 1-minute conversation with your pillow

Give your silliest laugh or snort for the group

Try to scratch your armpit with your big toe

Have someone write a word on your forehead in lipstick and you have to guess what it is

Do the chicken dance while you hum the song

Act like a dog and fetch two objects

Pretend you are sleeping and having a nightmare

Sing your favorite song from "Frozen" while hopping on one foot

Everything you say for the next 5 minutes has to rhyme

Wear your shirt backwards for the rest of the game

Say the alphabet backwards

Do a crabwalk across the room

Keep a straight face while the other kids try to make you laugh for one minute

Balance a spoon on your nose for 1 minute

Act like a monkey and try to pick bugs out of your friend's hair
